

December '08 Newsletter

The January meeting will be a board only meeting.
Please take special note of the date.

Holmen would possibly still be interested in holding a rodeo if they could get enough help committed. They would like people to become members of their saddle club for \$10 for a family and then have commitment to help put on an LBW rodeo. A survey will be posted on the website. If everyone could please respond to it before Jan. 5 or as soon as possible.

Medford will look at open dates as well as Holmen if they get enough support.

River Ridge Rodeo at Dubuque would like us to bid the Jr. Wrangler and high school rodeo for the stock.

Arlan Brooks contract was presented and accepted for the stock for 2009.

The student meeting discussed questioning the need for a rule of continuing forward motion and not turning your back prior to running a pattern.

On behalf of Little Britches of Wisconsin Rodeo, we would like to wish you a very Merry Christmas and a safe and Happy New Year!!! See you next year at the rodeo.

Here are the confirmed dates for the
2009 rodeo season:
