

June '08 Newsletter

Congratulations to all the LBW members that are part of the Junior Wrangler Rodeo Team. They will compete in Gallup, New Mexico, June 30-July 5.

LBW sponsored a saddle for the Wisconsin High School Rodeo Finals.

Cheryl Jeidy made a new LBW Flag. A lot of work went into it and it looks great. We really appreciate it.

Some questions were asked about where all the stop watches have disappeared to. Also, it was suggested that the arena directors have radios so that if there is an arena conflict, they will know about it. Terri will check into getting more radios and stopwatches.

Contestant helpers need to be getting their credit for helping to go toward the year end award. Adult volunteers can get a donation voucher for their mileage if they help. Any volunteers at the rodeos are greatly appreciated. If you don't know how to do something but would like to help, just ask and we can get someone to show you how to do it.

Saturday night following the rodeo at Prairie Hills will be a potluck. Meat will be provided, just bring a dish to pass.
